THE CENTER FOR RENEWABLE ENERGY AND TECHNOLOGY
(CLSU-CREaTe)**

JOSEPH G. ARIOLA

An Undergraduate Field Practice Manuscript Submitted to the Faculty of the
Department of Agricultural and Biosystems Engineering, College of
Engineering, Central Luzon State University, Science City of
Muñoz, Nueva Ecija in Partial Fulfillment of
the Requirements for the Degree

**BACHELOR OF SCIENCE IN AGRICULTURAL AND BIOSYSTEMS
ENGINEERING**

BIOGRAPHICAL SKETCH

Joseph G. Ariola was born on June 23, 1998, in San Jose City, Nueva Ecija. He is the youngest of the five children of Mr Roger D. Ariola and Mrs Luzviminda G. Ariola. He completed primary school at Tondod Elementary School in 2011 and high school education at Tondod High School in 2015.

Along with his interests in drawing, singing, and playing the guitar, he also works as a tattoo artist as a side hustle. He is a proud member and former United Ilocandia-CLSU Chapter Vice President. He is also a proud working student and a small business owner in partnership with his girlfriend. He is now pursuing his degree in Agricultural and Biosystems Engineering, majoring in Agricultural Power, Energy and Machinery Engineering at Central Luzon State University.
