in Partial Fulfillment of the Requirements
for the Degree of

BACHELOR OF ARTS IN PSYCHOLOGY

JUNE 2018

BIOGRAPHICAL SKETCH

One of the very special days that happened to a couple from Brgy. Fronda, Talugtug, Nueva Ecija named Simplicio A. Agliam and Evangelina B. Agliam was the birth of Vanielyn Joy B. Agliam in November 12, 1998 at San Jose General Hospital their eldest child among their two children.

The life of their eldest daughter was full of different experiences that urns her to the another phases of life. Her experience was serves as inspiration in achieving her own goals. As she grows up she became an independent woman while pursuing her dreams.

She took her elementary education at Fronda Elementary School. In high school, he was graduated at Talugtug National High School. Presently, she is currently talking up Bachelor of Arts in Psychology in her dream university, the Central Luzon State University.

BIOGRAPHICAL SKETCH

Zyryl Mae Demalata Ramos was born on January 8 1998 in Bgry. Bagumbayan Llanera Nueva Ecija: the first daughter of Edgardo P. Ramos and Nelia D. Ramos and followed by their son Franz Lee D. Ramos.

The life of their only daughter began with memorable childhood days with different experiences and phases of life. At an early age, she became practical in life because of the status they had before. It served as her inspiration in pursuing his goals in life.

She took elementary education at Llanera Central School and graduated athlete of the year during her secondary education in Llanera National High School. At present, she is currently pursuing Bachelor of Arts in Psychology at one of the most prestigious school in the Philippines, Central Luzon State University.

ACKNOWLEDGMENT

We would like to extend our deepest gratitude and appreciation to the following persons for being instrumental in the completion of this study:

First, to our adviser, Ms. Bessie May C. Belza, for her unending support, guidance, patience, and advises. Despite her many workloads, she still found time to improve this study. Also, to our critic, Mr. Robinson Z. Lumuntod III, and Department Research Coordinator, Mr. Angelo R. Dullas for extending support and time for the betterment of this study, and also for their assistance in analyzing and organizing every data of this study.

We also appreciate the efforts of our friends (Marjancel Velasco, Catherine Bacolor, Nicole Vidad, Rizza Ibarra, Mikaela Espera, and Mary Rose Sibulburo), relatives (Mrs. Eduviges D. Agliam, Mr. Leonardo A. Agliam, Mrs. Gloria A. Caspillo, Mrs. Rizaldelina B. Perez, Mrs. Rejoy Encarnacion, Mrs. Josephine Alviar, Ms. Novelyn Upalar Brgy. Kagawad Nobelito Upalar, Mrs. Dina Costales, Mrs. Rica Upalar and Mr. Bonnie Balagso) who helped us distribute questionnaires, all the barangay officials who assist us during our data gathering and all the married couples who patiently participated in this thesis.

We would like also to thank Mrs. Maribel Dela Cruz, Dorm Manager of Ladies Dorm 3, for allowing us to extend our stay in the dormitory during the second semester class and to Mr. Bonnie P. Balagso, for giving us rides, and for accompanying us during the data gathering.

Most of all, to our parents and our siblings, where in every step that we take, serve as our inspiration, motivation and supporters. For every simple success that we accomplished, these are dedicated to them.

Lastly, to our Almighty God, our Strength and provider of different aspects of supports which we needed in every single day of our lives.

ABSTRACT

AGLIAM, VANIELYN JOY B. and **RAMOS, ZYRYL MAE D.**, Department of Psychology, College of Arts and Sciences, Central Luzon State University, Science City of Munoz, Nueva Ecija, Philippines, **JUNE 2018, THE RELATIONSHIP OF COMMUNICATION AND SPIRITUALITY ON MARITAL SATISFACTION AMONG MARRIED COUPLES IN NUEVA ECIIJA**

Adviser: Ms. Bessie May C. Belza

This quantitative descriptive-correlational study generally intended to know the relationship between communication and spirituality to marital satisfaction. It hypothesized that married couples with high level of communication and high level of spirituality are more likely to have high level of marital satisfaction. Data was collected on married couples who were randomly selected in Nueva Ecija. Result showed that married couples in Nueva Ecija have high level of marital satisfaction, communication, and spirituality. The findings of the study shows that the married couples levels of the communication and spirituality have relationship on their marital satisfaction.

Keywords: Marital Satisfaction, Communication and Spirituality
