BIOGRAPHICAL SKETCH

The author is the eldest among the three progeny of Mr. Ernesto C. Diaz of Franza, Science City of Muñoz, Nueva Ecija and Mrs. Marilou Ferrer Diaz of Roosevelt Ave., Quezon City. Ednaly R. Ferrer was born on September 12, 1995 in Bagong Bantay, Quezon City. She is fondly called by his friends and acquaintance as “Edna.” She was exposed to the Roman Catholic belief.

She finished her elementary education at Bical Elementary School in 2008. When she was in her 4th year high school, she was awarded as the outstanding student of her class. She completed her high school curriculum in Muñoz National High School (ANNEX), Science City of Muñoz Nueva Ecija in 2012. Now she’s taking Bachelor of Arts in Psychology at Central Luzon State University, Science City of Muñoz, Nueva Ecija.

She worked as a Service Crew for two years at Jollibee Muñoz, Science City of Muñoz branch in 2016. She was also Student Assistant at Office of Student Affair (OSA) of 2nd Semester S.Y 2017-2018.

ACKNOWLEDGMENTS

The author would like to express her sincerest acknowledgments to the following persons behind the accomplishment of this study:

Mrs. Maria Rosario I. Bulanan, her adviser and member of the thesis panelist, for her valuable support, guidance and kind assistance during and after the conduct of this study.

Mrs. Chrisdell C. Munsayac, her critic and member of the thesis panelist, for the suggestions she gave to improve the study. She also appreciates her sincere provision, help, and encouragement to finish this study.

Mr. Angelo R. Dullas, the Department Research Coordinator and member of the thesis panelist, for the some suggestions he gave to also improve the study.

Also, to her classmates and friends, for helping her to interview the respondents to finish data gathering at a short period of time;

Nanay Miguela Agapito, authors' relative for giving her additional financial support and encouragement;

To her beloved mother, for her unending love and support; for providing her needs to finish this study, and she is grateful to her for those word of encouragement.

Her brothers, Aldrin F. Diaz and Ian Christian F. Diaz, for the inspiration and moral support;

Our Almighty God, for His guidance and heavenly wisdom from the start until the end of the study.

ABSTRACT

FERRER, EDNALYN R., Department of Psychology, College of Arts and Sciences, Central Luzon State University, Science City of Munoz, Nueva Ecija, Philippines, **JUNE 2018, A QUALITATIVE STUDY ABOUT SINGLE MOTHERS**

Adviser: MARIA ROSARIO I. BULANAN
Co-Adviser: CHRISDELL C. MUNSAYAC

The study entitled, “A Qualitative Study about Single Mothers” explore the challenges faced by single mothers, support system and outlook in life. It is also provide insights dealing with those problems and also to determine the aspects of absence of one parent such as separation, death of husband and being unmarried.

Further, in the data collected reveals these single mothers has strong determination in facing challenges such as judgement in single mothers, criticism, emotional and financial problem. Despite of trials faced by single mothers they gain positive outlook in life. This process required the researcher to be as judgment-free as possible in the process to gain a better understanding of how events and life experiences shaped and influenced the persistence of participants.

Key words: *Single mothers; by choice, widow, legally separated*
