

**MAJOR PRACTICE IN ORGANIC RICE PRODUCTION AT RAMON
MAGSAYSAY CENTER FOR AGRICULTURAL RESOURCES AND
ENVIRONMENT STUDIES (RM-CARES)**

JOHNSON BALDANO CABANSAG

An undergraduate Major Practice Manuscript presented to the Faculty of the
Department of Crop Science, College of Agriculture,
Central Luzon State University in partial
fulfillment of requirements
for the degree

**BACHELOR OF SCIENCE IN AGRICULTURE
(CROP SCIENCE-AGRONOMY)**

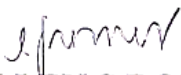

JANUARY 2018

This major practice report entitled “**MAJOR PRACTICE IN ORGANIC RICE PRODUCTION AT RAMON MAGSAYSAY CENTER FOR AGRICULTURAL RESOURCES AND ENVIRONMENTAL STUDIES (RM-CARES)**”, prepared and submitted by **JOHNSON BALDANO CABANSAG** in partial fulfillment of the requirements for the degree Bachelor of Science in Agriculture (Crop Science), is hereby accepted.

BIOGRAPHICAL SKETCH

The author, JOHNSON BALDANO CABANSAG, was born on December 4, 1996 at Brgy. Maslog, Legazpi, Albay Bicol. He is the eldest among the four children of Mr. Leonardo R. Cabansag and Mrs. Ofelia B. Cabansag.

He finished his primary education at Li Seng Giap Elementary School at Station District Rosales, Pangasinan and completed his secondary education at Don Ramon E. Costales Memorial National High School at Villasis Pangasinan.

In year 2013, he began his college journey where he took up Bachelor of Science in Agriculture, major in Crop Science and Agronomy as his field of specialization at Central Luzon State University, Science City of Muñoz, Nueva Ecija.

ACKNOWLEDGEMENT

The author would like to express his deepest gratitude and sincere appreciation to those people who had deeply shared their time, efforts and encouragement towards the realization of this manuscript.

To his parents, Mr. Leonardo R. Cabansag and Mrs. Ofelia B. Cabansag, his brothers Justine and Jzer and sister Jyle for being with him all through the way from the very beginning and for showing their unconditional love and unending support financially, emotionally and spiritually.

To his very supportive adviser, Prof. Pacifico T. Vizmonte Jr. for the guidance, untiring patience, amazing efforts, encouragement and for the knowledge he imparts to hasten the development and improvement of his manuscript.

To all faculty members of Crop Science Department; Dr. Rosemarie T. Tapic, Dr. Pedrito S. Nitural, Dr. Mario B. Agustin, Dr. Nemesio V. Tamayo, Prof. Charlito R. Juico, Prof. Pacifico T. Vzmonte Jr., Mr. Ace Mugssy L. Agustin, Mr. Efrebito Jay M. Guittap, Mr. Jayson Villamor, Mrs. Joan A. Bayla for all the knowledge and words of wisdom they shared during his college days.

To Mr. Ace Mugssy L. Agustin, College Major Practice Coordinator, for the constructive criticism and suggestions for the improvement of this manuscript.

To his SCSM family, his gratefulness and sincerest thanks for his brothers and sisters for all the happiness during monthly bonding and activities, unforgettable moments and friendship they shared during his college life.

To his CLSU Arnis team, his sincerest thanks to his Coach Mrs. Melane Fernandez for being a very supportive and understandable coach during his athletic years, to his team captains Mr. Frederick M. Dela Cruz and Ms. Pauline Salazar for their patience hard work during training and to his team mates for the happiness, hard work, pain during training and the victories they shared together.

To his roommates; thank you kuya Rhyden, kuya JM, kuya Melvin, Mark and Frederick for the love and unforgettable memories.

To Ms. Maureen Joy Sagayo, thank you for all the support, understanding, time, and effort as a loving girlfriend.

The author also express his thanks to his Project Manager Ma'am Ellen Romero for the overwhelming support and guidance during his major practice and to all the labourers who helped him to finish his major practice and those knowledge and happy moments together, to Kuya Simion, Kuya Jimbo, Kuya Clause, Manong Alas, Kuya Bryan and all the researchers and staff or RM-CARES.

Above all, the author give his great praise to the Almighty God for giving his life, strength, for the guidance and good health, for the grace and blessing and endless love that help him to perform his task as part of the major practice.

To all he failed to mention who helped and make his work successful; THANK YOU VERY MUCH and GODBLESS!!

JOHNSON BALDANO CABANSAG
